

Vision Services

Supporting people of all ages
with any level of vision loss.

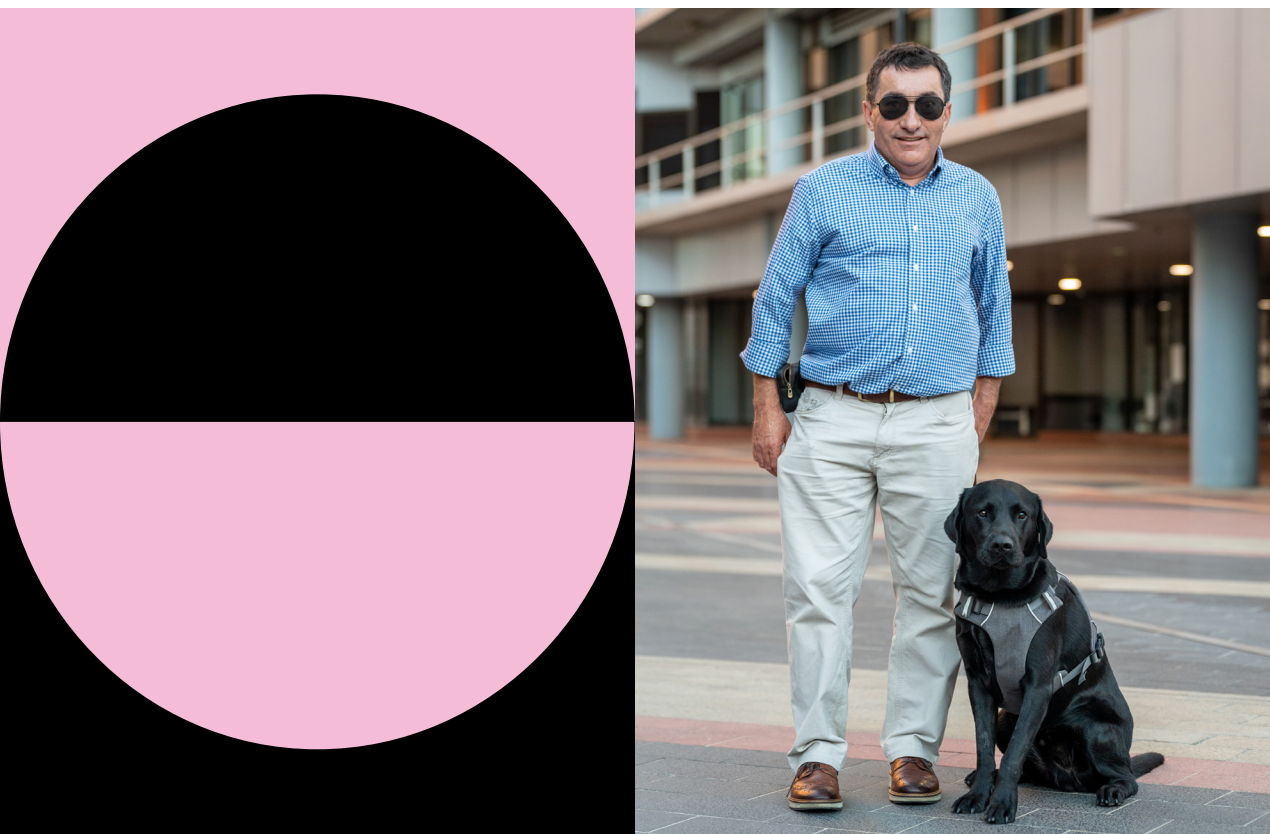

Guide Dogs.

About Guide Dogs SA/NT

For more than 65 years, Guide Dogs SA/NT has been helping people living with vision loss to achieve their goals and live the way they want. Although known for our iconic Guide Dogs, our professional and supportive team also offers many other Vision Services to meet your needs.

What services are available?

At Guide Dogs SA/NT we offer services to help you understand your vision diagnosis and how to achieve your goals, big or small.

We can support you with things such as: learning how to use your phone, cooking a meal, getting into hobbies and finding your way from A to B independently.

Below is a list of our services:

- **Low Vision Assessments**
- **Occupational Therapy**
- **Orientation and Mobility Support**
- **Falls Prevention Assistance**
- **Neurological Vision Services**
- **White Cane and Equipment Support**
- **Assistive Technology Support**
- **Dog Services**
- **Social and Educational Groups**

Our services are offered in metropolitan and regional South Australia and Northern Territory.

Additional information can be found on our website sant.guidedogs.com.au or by calling 1800 757 738.

What is involved?

We tailor our support to suit your needs, whether it's one or several sessions, or ongoing support. Depending on your individual circumstances, your support might take place at home, alongside family, with your wider support team, or out and about in the community.

Services for all ages and levels of vision

We support people of any age and level of vision loss. Depending on your personal situation, we can tailor our services to your needs. We can provide support for many conditions, including but not limited to:

- Glaucoma
- Diabetic Eye Disease
- Acquired Brain Injury
- Cortical Vision Impairment (CVI)
- Age-Related Macular Degeneration
- Hereditary Vision Loss, e.g. Retinitis Pigmentosa

We offer services across different age groups:

- Early Childhood 0–9 years
- School Aged 9–18 years
- Adult 18+ years

Guide Dogs SA/NT is here to support you to build your confidence and independence, and find the right strategies for your personal journey.

Social and educational groups

Finding a support network of like-minded people who understand what you are going through can make a world of difference. We have an amazing community of clients that meet regularly in person and online through our social and educational groups. We offer:

- Social Happy Hour
- Empowered Living Program
- School Holiday Sessions

Our digital newsletter 'Insights' is another great way for clients, support workers and family members to keep up-to-date on what's happening at Guide Dogs SA/NT. Sharing vision tips, upcoming accessible events, client stories and more, there's something for everyone!

What funding is available?

You may be eligible or already receiving funding from a range of sources including, but not limited to:

- NDIS
- My Aged Care
- Children and Students with Disability (Department for Education)
- Department of Veterans' Affairs

Funding for some of our services is also available through agreements with other support agencies or our own charitable endeavours.

For more information about funding support, contact our Client Support Team using the details on the back of this booklet.

When should you enquire?

Don't wait for a diagnosis to contact Guide Dogs SA/NT about how we can support you. If vision loss is impacting your daily life, reach out to our Client Support Team who will help you to take the next steps in your journey.

How do you make an enquiry?

To enquire about services or make a referral, visit sant.guidedogs.com.au/request-a-service or get in touch using the contact details below.

If you're ready to make a referral, we welcome self-referrals and referrals from any health professional, carer, family member or friend. Please ensure you have the consent of the person you would like to refer before requesting services on their behalf.
